

Athens Brick LLC
UTILITY INFORMATION SHEET

Below is a list of utility companies and their phone numbers. You are responsible for contacting, turning on, turning off, paying for, and dealing with the following utility providers.

Columbia Gas of Ohio 800-344-4077 (Note some properties, such as 152 Mill St., are all electric – see your lease)

American Electric Power 800-277-2177

Time Warner Cable & Internet 800-617-4311

Electricity and gas must be on during the entire lease. Please contact these companies ASAP, ideally 3-7 days before the lease starts and put the account in your name(s). Most tenants use their cell phones rather than connecting a land line. **WARNING**, waiting until the last minute to turn on the gas, phone, or cable could result in a 4-8 day waiting period.

The City of Athens (Water/Sewer/Trash) Water Dept., 8 E. Washington St., 740-592-3347) has a unique water billing policy. The water stays on all year in a blank name. When the bill comes to your apartment/house it says:

(example)

Current tenants
Your address
Athens Ohio 45701

You are responsible for paying this bill. You never have to call the water company to put it in your name. You do not have to pay a deposit. You do not have to sign any paperwork. You only have to pay the bill when it comes. The water stays on 365 days a year.
